Dear Students & Parents

Subject: - Regarding the Essential update of school ERP app "SCHOOLPAD"

- This is to inform you that school ERP portal named "SCHOOLPAD" has performed some mandatory security updates to the app due to which parents using older version of the app may have been logged out.
- You are therefore requested to update the app from Google Play Store and login again. The School Code for the app is "443443". In case you have forgotten the password, you can use the customer support option available below the app login screen to recover the password. Alternatively you can scan the QR code shared below which will help you to reset the password and enable you to start using the app again.
- This process needs to be done at the earliest as now onwards all the official circulars from the school will be shared on the ERP portal.
- Please note that the user name of the student is his/her admission number starting with letter "P". For eg. If the admission no. of the student is 1234 then his/her user name will be P1234.
- You are requested to visit school office if still facing any problem related the same.
